Father's Day Stall

Thursday 4 September

We're shaking things up this year to make the Father's Day Stall affordable and more fun for everyone!

Here's what's new:

- All gifts will be \$5 each – no more separate price tables.
- Students can purchase up to 3 gifts for Dad, Grandad, or another special person.
- Trialing cash-free payments – A small group of students will be asked to take part of a trial using Flexi Schools to pay in advance (we'll contact these families directly).

For everyone else:

- Please send cash only on the day.
- If possible, send the correct amount to help the stall run smoothly.

We can't wait to help the kids choose something special for the important people in their lives!
